DEVELOPMENT REVIEW

Town of Bel Air development regulations require public notice in two publications of a local newspaper for pending development applications before the Board of Appeals and Planning Commission. In addition, the nature of certain projects requires a stenographer to record proceedings. Because the cost of these services may vary significantly between applications, the expense incurred by the Town will be recorded and invoiced to the applicant as reimbursable.

PLUMBING PERMITS

Town of Bel Air Plumbing Permits are issued by the Harford County Division of Inspections, Licenses and Permits (Plumbing Services) in accordance with the current Harford County Fee Schedule.

ELECTRICAL PERMITS

Town of Bel Air Electrical Permits are issued by the Harford County Division of Inspections, Licenses and Permits (Electrical Services) in accordance with the current Harford County Fee Schedule.

AND BE IT FURTHER RESOLVED that this Resolution shall take effect immediately upon its enactment.
